***Celebration of Life for Steve Wagstaff, PER***

**You are all invited to Steve Wagstaff's Celebration of Life. There will be some speakers, but most of all, we want people who knew Steve to come and share with us your experiences and how he contributed, or the work he did, contribute to your life. No formal ceremony will be held. Appetizers will be available and Bar/Social Quarters will be open. Come raise a toast to Steve! If anyone would like to contribute, in the way of bringing food, or a picture or memento to share, all would be appreciated.**

**Steve was born on June 10, 1965, and passed November 16, 2022, after a long fight with pancreatic cancer. He was passionate about the Elks and everything they supported. He joined the Elks in 2010 and was elected to the Exalted Ruler of Escondido Elks twice, in 2013 and 2017. He served as both ENF and CHEA Major Project Lodge Chair for years and founded the annual Chili's Restaurant Fundraiser Program. He was a strong supporter and contributor to the Vets, Scouting, and all facets of the Elks. I'm sure he'll be looking down to us from that Elkdom up high as we lift a glass!**
